****NOTICE****

COVID-19 continues to affect our day to day lives and businesses. California Arts Academy always has, and will continue, to put health and safety first. We are opening for live classes with strict safety precautions for all students and staff.

All who come into the studio must sign a waiver stating that you have no symptoms of COVID-19 or any other illness. It also states that you have not been in direct contact with anyone having signs or positive tests for COVID-19.

All who attend will be asked to submit to a temperature check at the door and then directed straight to the restroom to wash your hands with soap and water. Staff members are held to this same standard.

Masks that cover the nose and mouth are required at all times at the studio.

The facility, administrative, and teaching staff will continue to disinfect all common spaces, door handles, window ledges, and barres between every class and at various intervals throughout the day.

The studio will be observing strict class size numbers so that classes are able to actively practice social distancing. Because of this, some class offerings may be considered full before others. Drops ins and make ups are not allowed into a class that is considered to be at full capacity.

Zoom classes are still available for students who are choosing not to return to live classes just yet. Check in with our office staff to see what is available to you.

Please become familiar with our updated structure and policies. Our Administrative staff would be happy to answer any questions you may have about our recent changes.

We love you. We appreciate you. Thank you for choosing California Arts Academy.

Adult Programs

Pricing Structure Change: In efforts to be more adaptable for personal and global emergencies, we have restructured our pricing to a monthly membership fee, similar to a gym. We have averaged out the number of classes a student receives during the year, deducted holiday weeks, and divided the cost evenly across 12 months. This monthly fee will not fluctuate based on the number of weeks received during a single month's time. A student has up to 2 weeks from the end of an illness to attend a make-up lesson for any class missed. Each Fall you will be notified if your student is eligible for an increase in their Ballet level and your payments will reflect the change accordingly. If you wish to stop attending classes, you must fill out and sign our cancellation form. Payments will be stopped 30 days from the date the cancellation policy is received in our office. Your student will still be able to attend classes for those 30 days.

New Classes:

- Mr. Daniel is starting up Fitness and Flexibility. Those looking to lose a few pounds or just work up a sweat and lose some stress will love spending any amount of time with our most amazing Mr. Daniel. An optional weekly weigh in will be available and some time to share/discuss nutritional struggles and successes along with sharing/swapping of healthy recipes. There will be Stretching, Toning and Movement based on Mr. Daniel's dance experience along with a bit of fun, camaraderie and laughter!
- Miss Shamara, our resident gymnast would like to offer a class that lends itself more to strength and conditioning for our Adults who wish to increase stamina and perhaps discover a new, fun way to work out. (No one will tell on you if you take a spin on the balance beam or a swing on the rings.) Who's looking for a fun new workout?
- Looking to work your core and gain strength and flexibility in your upper and lower back. Ms. Margaret's Cross training is the class for you! You'll be walking taller and sitting straighter in no time! Using fitness bands your hips, thighs and hammies will get longer and stronger. Great music, great company and a good time will have you feeling better than ever and don't worry if you have an old or new injury, it's easy to tailor this workout to your level of comfort. All you need is an exercise mat and some resistance bands, we'll talk you through the rest!

Additional Policies

Make-up Classes – Students will have 2 weeks to complete make-up classes. After 2 weeks classes missed will be forfeited.

Trials – Students are eligible for up to 2 trial classes per program at the rate of \$15 each (excluding advanced ballet, musicals, workshops, and other special programs). After these two trials are used students will be asked to enroll if they choose to continue classes.

Cancelling Enrollment – Students are welcome to cancel your CAA contract at any time by filling out the cancellation form at our front office. Cancellation becomes effective 30 days after the form is received at our front desk. Students may continue their classes during this 30-day period and any payments due within those 30 days will be drafted. After 30 days all payments will be stopped.

Annual Registration fees will now be \$35 per year, payable one year from your first enrollment. You will receive your complimentary CAA t-shirt with your annual registration fee.
